CARE & MAINTENANCE

- Machine wash in cold water using a mild detergent — no harsh chemicals, bleach or fabric softener
- Iron on low heat, avoiding reflective tape and any areas with insulation
- Store in a cool, dry place away from direct sunlight
- Tumble dry on low heat or air dry; remove promptly to prevent wrinkling
- Dry cleaning not recommended — it may damage the water-resistant coating or reflective tape

COLD WASH

NO BLEACH

DO NOT TUMBLE DRY

COOL IRON
