

VULCAN OUTDOOR

SHORT SLEEVE BUSH SHIRT

DESCRIPTION

The Vulcan Outdoor Bush Shirt is designed for versatility, comfort and durability in outdoor and active work environments. Locally manufactured using premium imported fabric, its lightweight rip-stop stretch construction offers durability while remaining breathable — ideal for warm conditions and extended wear.

FEATURES

- Extra-breathable design promotes airflow and cooling in hot environments
- Rip-stop stretch fabric allows ease of movement
- Short-sleeve, button-up front design
- Double breast pockets with Velcro closure
- Versatile fit for fieldwork through everyday outdoor use

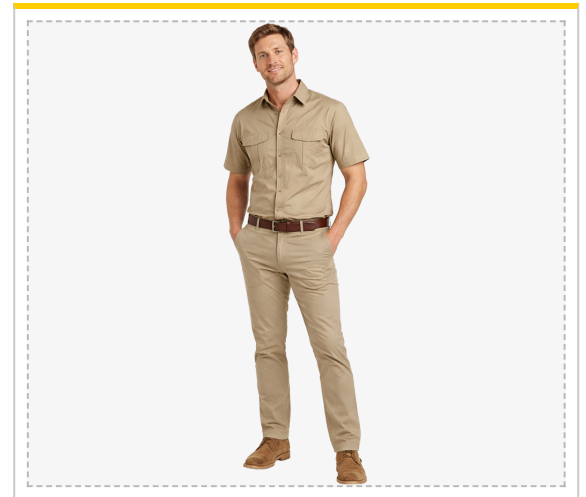

AVAILABLE COLOURS

OLIVE

KHAKI

NAVY

STONE
