0075

DESCRIPTION

Built for durability and protection, the Vulcan Workwear Dark 1 Cut Glove is designed to perform in demanding work environments. Constructed with a cut-resistant liner and a nitrile coating, this glove provides excellent grip, flexibility and comfort. Long lasting and built for reliable hand protection.

FEATURES

- Nitrile-coated palm for enhanced grip and abrasion resistance
- Seamless liner for improved comfort and dexterity
- Breathable construction to reduce hand fatigue during extended use
- Cut resistance: protection against sharp objects in the workplace
- Flexible fit ensures ease of movement and improved handling

CARE & MAINTENANCE

- Do not machine wash — this may damage the coating and reduce performance
- Store in a cool, dry place away from direct sunlight
- Replace gloves when signs of wear or damage appear to maintain protection levels
- Avoid exposure to excessive heat, which can degrade the material and coating
- Inspect gloves before use to ensure there are no tears or damage

NO BLEACH

DO NOT TUMBLE DRY

NO IRON

DO NOT WASH OR DRY CLEAN
