

FOOD SAFETY & HYGIENE

FOOD SAFETY PYJAMA SUIT

DESCRIPTION

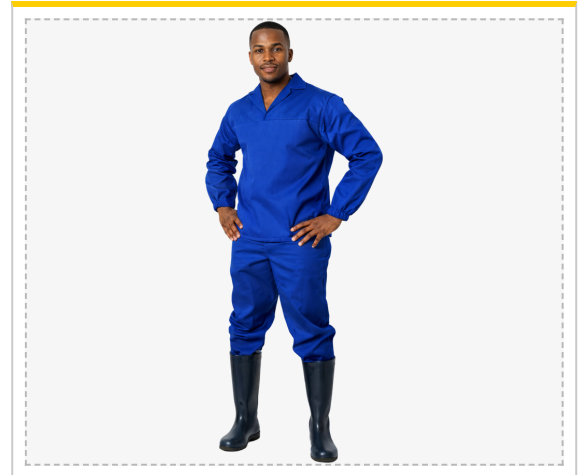

The 80/20 Premium Laundry Finish Long Sleeve Suit is engineered for demanding industrial and bulk food environments where durability, longevity and ease of maintenance are critical. The high-cotton-content fabric offers comfort and breathability, while the premium laundry finish ensures consistent performance in high-frequency laundering applications.

JACKET FEATURES

- Pull-over design with V-neck chest and collar for ease of movement
- Triple-stitched shoulders, armholes, sleeves and side seams
- Internal pocket; side slits for improved fit and mobility
- Partially elasticated cuffs reduce sleeve roll-ups and risk around machinery
- Single-stitched 1.2cm hem for a clean, professional finish

PANTS FEATURES

- Elasticated waist with internal drawstring for optimal fit
- Triple-stitched seams for added strength and durability
- Internal back pocket
