

RIGGING & HEAVY-DUTY HANDLING

GOLD DIGGER LEATHER GLOVE

EN 388
3243

DESCRIPTION

The Gold Digger Leather Glove is a premium split grain cow leather rigger glove designed for rigging operations, general handling and demanding industrial applications. High-quality chrome and green dyed cow split leather with reinforced stress areas offers durability, comfort and dependable mechanical protection, with a gunn cut construction and wing thumb for flexibility, grip and extended wear life.

FEATURES

- Premium split grain cow leather construction for durability
- Gunn cut design with wing thumb for improved comfort and flexibility
- Reinforced palm, thumb and index finger for added wear resistance
- Knuckle protection and leather padded fingertips
- Candy striped drilled cotton back for breathability
- Shirred wrist for secure fit; EVA cotton laminated safety cuff
