DESCRIPTION

The Vulcan Workwear Gold Elbow Length Welders Glove is a premium chrome leather welders glove designed for welding, smelting, and high-heat industrial applications. Manufactured with an extra-thick black chrome leather palm for additional heat protection across the fingers, palm, and thumb, with reinforcement around the thumb and index finger area, and a golden yellow chrome leather back for durability. Full Kevlar stitching provides extra heat resistance, while black leather piping sewn into the seams protects stitching against welding sparks and spatter. A fleece-lined palm and denim-lined collar deliver comfort during extended wear, and the elbow length gauntlet cuff extends protection to the forearm.

FEATURES

- Extra-thick black chrome leather palm (0.8 mm) for additional heat protection
- Reinforced thumb and index finger area for added wear resistance
- Golden yellow chrome leather back for durability
- Full Kevlar stitching for extra heat resistance
- Black leather piping sewn into seams to protect stitching from welding sparks
- Fleece lining on the inside of the palm for comfort and insulation
- Denim lining on the inside of the collar
- Elbow length gauntlet cuff for extended forearm protection

HEAT-INTENSIVE APPLICATIONS

SPECIFICATIONS

SKU	01/GOLD/40/L
STYLE	Premium elbow length welders glove
PALM	Black chrome leather, 0.8 mm extra thick, reinforced thumb and index finger
BACK	Golden yellow chrome leather
LINER	Fleece palm lining, denim collar lining
CUFF	Elbow length gauntlet cuff
STITCHING	Full Kevlar stitching with black leather piping sewn into seams
SIZE	Large (Size 10)
PACKAGING	Packs of 12; 72 pairs per carton
CERTIFICATION	EN 420 & EN 388 (3,1,1,1) – Mechanical Risks · CE 0075

CARE & MAINTENANCE

- Under no circumstances should leather gloves be submerged in water
- Gently wipe the leather glove with a clean cloth
- Not recommended for use with water, oil or grease
- Prepare a lukewarm water solution using mild detergent
- Allow gloves to dry naturally to reduce stiffening
- Store in a cool, dry place away from direct sunlight
