

DENIM WORKWEAR

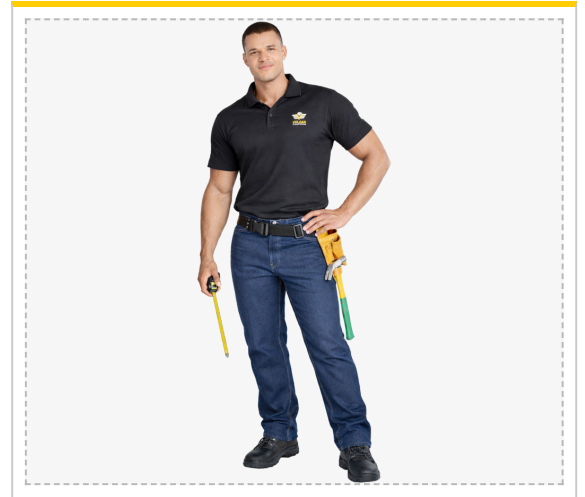

GRAFTER 5 POCKET JEANS

DESCRIPTION

The 5 Pocket Grafter Denim Jeans are designed for the modern tradesperson. Made from heavy-duty denim, these jeans combine comfort and durability with functional features — multiple pockets for tool storage and a relaxed fit for ease of movement, perfect for grafters who demand the best from their workwear.

FEATURES

- Heavy-duty denim fabric for durability
- 5-pocket design: 2 side pockets with reinforced stitching, 1 back pocket with button closure
- Relaxed fit for ease of movement
- Adjustable waistband with heavy-duty buttons
- Triple-stitched seams for added strength
- Metal rivets at stress points for reinforcement

SPECIFICATIONS
