## HI VIZ TWO TONE FREEZER JACKET

### DESCRIPTION

The Two-Tone Freezer Jacket is designed to provide warmth and protection in extreme cold environments. Made with a durable, water-resistant outer shell, this jacket features a two-tone design for enhanced visibility — ideal for workers in cold storage facilities, warehouses and outdoor environments.

### FEATURES

- Insulated design keeps you warm in extreme cold
- Water-resistant outer shell protects against wind and water
- Luminous yellow outer for enhanced visibility
- Heavy-duty construction withstands harsh environments
- Multiple pockets for storage and convenience

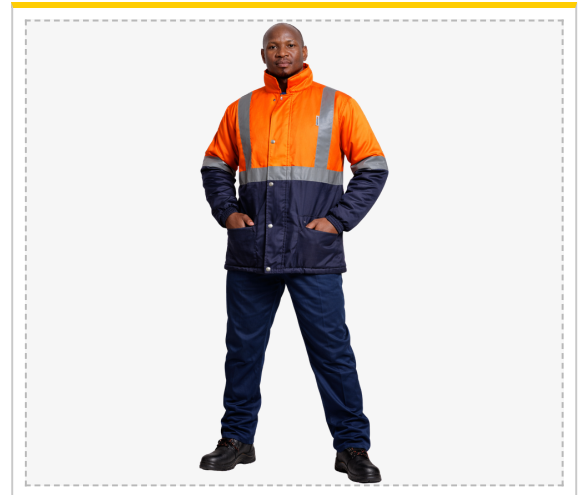

### SUITABLE FOR

COLD STORAGE

OUTDOOR WORK

FOOD PROCESSING

COLD CHAIN LOGISTICS

### CARE & MAINTENANCE

- Machine wash in cold water (below 30°C) with a mild detergent — no harsh chemicals, bleach or fabric softener
- Iron on low heat with a pressing cloth, avoiding reflective materials and insulated areas
- Hang on a wide hanger to maintain shape — avoid folding or creasing
- Tumble dry on low heat or air dry; remove promptly and do not over-dry
- Store in a cool, dry place away from direct sunlight

COLD WASH

NO BLEACH

DO NOT TUMBLE DRY

COOL IRON

DRY CLEANABLE
