

VULCAN OUTDOOR

## TAMBOTI OUTDOOR SHIRT

### DESCRIPTION

The Tamboti Vented Short Sleeve Shirt is built for high-temperature, high-movement work environments. Locally manufactured using premium fabric, it delivers durability, breathability and comfort in one dependable garment — the vented construction ensures all-day wearability without restricting movement.

### FEATURES

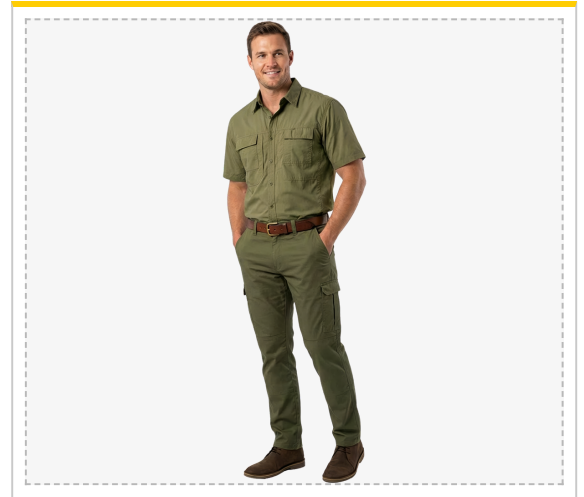

- Short-sleeve, button-up design with integrated ventilation
- Integrated mesh vent at back promotes airflow and cooling
- Double breast pockets for practical storage
- Designed for movement and enhanced comfort
- Locally manufactured from premium fabric

### AVAILABLE COLOURS

OLIVE

KHAKI

NAVY
