V-GOAT GLOVE

EN 388

3111

CE

0075

DESCRIPTION

The V-Goat is a premium goatskin leather driver glove designed for general handling and applications requiring both protection and fine dexterity. Very strong, extra-thick goatskin leather with natural water repellency delivers exceptional durability, while the leather's natural softness removes the need for an inner lining – keeping the glove lightweight and dexterous.

FEATURES

- Premium goatskin leather palm and back – very strong with natural water repellency
- Extra-thick leather for extended durability
- Naturally soft and supple – no inner lining required
- Lightweight construction for excellent dexterity and feel
- Wrist length safety cuff for a secure fit

CARE & MAINTENANCE

- Under no circumstances should leather gloves be submerged in water
- Gently wipe the leather glove with a clean cloth
- Not recommended for use with water, oil, grease or excessive heat
- Prepare a lukewarm water solution using mild detergent
- Allow gloves to dry naturally to reduce stiffening
- Store in a cool, dry place away from direct sunlight
